### About:

Welcome all users to the site! Coffee freeze-dried soluble buy. For you in the city of Albany-Y makes available the possibility to purchase coffee cheaply. You can find any sort of gourmet coffee that will suit your needs. All products are presented at a minimal cost. Moreover, if you become a member draws and promotions, you can get a great discount on your order. Buy coffee capsules. Natural taste of fine coffee in Albany-Y attractive that it is impossible to refuse.

### The selection of coffee varieties

There are over 200 varieties of coffee. But the most famous one in the city of Albany-Y are Arabica and Robusta. Arabica has a mild taste with a slight bitterness. Green coffee slim. Robusta has a more pronounced flavor and contains a higher percentage of caffeine, why this variety is considered invigorating. The grade is influenced by the place where coffee was grown. For example, if you take the African and American Arabica, the taste perception of these varieties will be very different. The most famous coffees grow in Brazil, Colombia, Costa Rica, Guatemala, India, Ethiopia, Kenya. For example, you can buy coffee sets, which will consist of the varieties collected in these countries. Green coffee slim. Also in Albany-Y distinguish mixed and unmixed coffees. If you decide to buy organic coffee, the most decent option — consisting of 5 types of Arabica and Robusta, extracted from various plantations and at different periods. Experts suggest mixing varieties in order to achieve the perfect effect of drinking coffee.

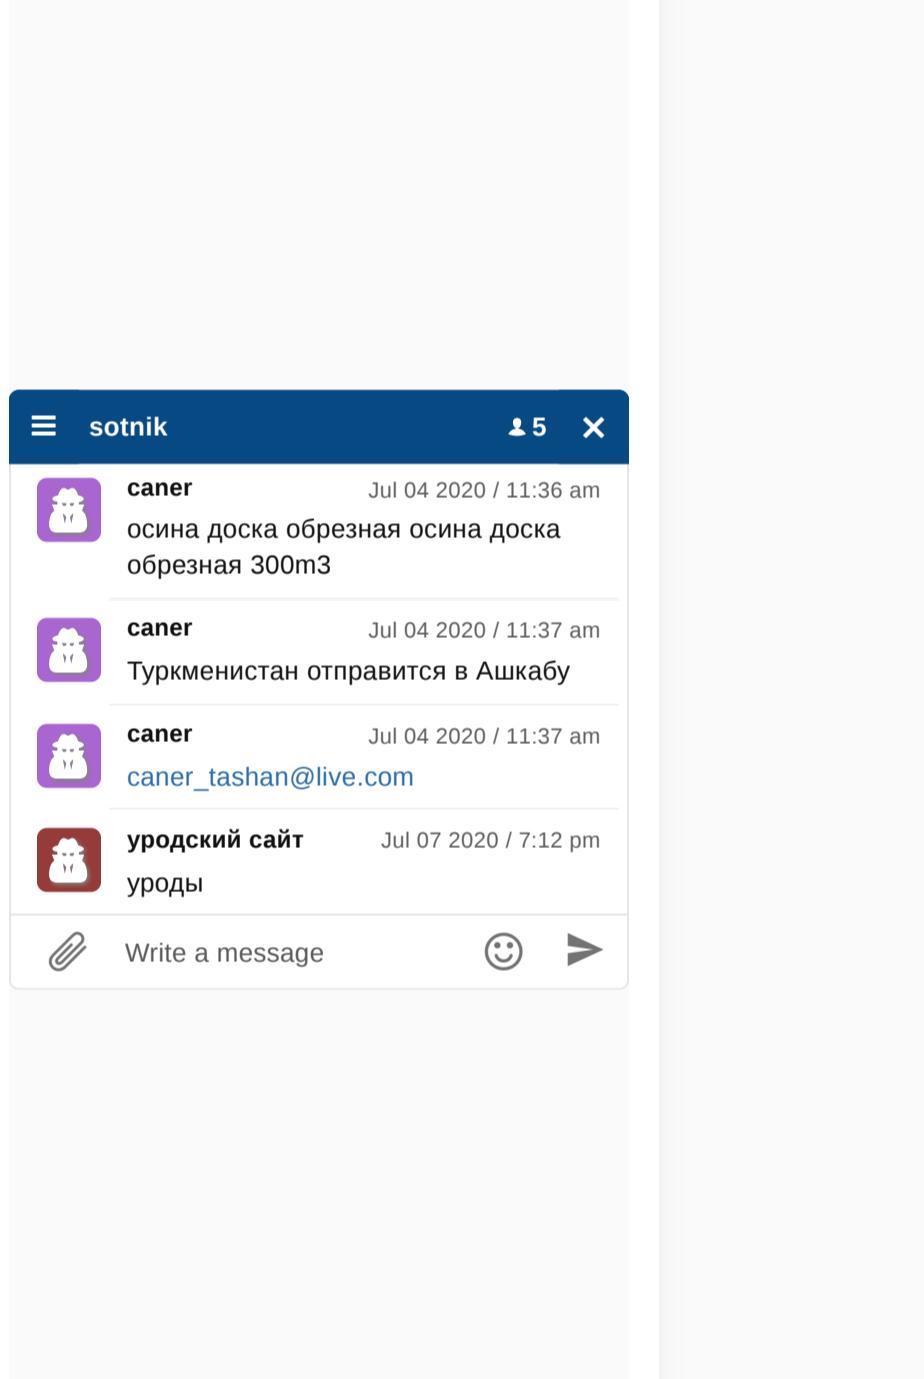

### The selection of coffee in appearance

Most people in the city of Albany-Y believe that coffee of any variety looks standard. But when choosing coffee should be attentive to the characteristics of the beans. Coffee buy wholesale. The first thing you should pay attention to is the size. Arabica grains are quite large, and Robusta is only 6 mm. But the Yemeni Arabica is more close in size to Robusta. If you decide to buy instant coffee, you will not be able to assess its quality according to the grain size. Yes, and it is considered that the real natural coffee, you can only get from whole grains. Outwardly of grain like beans with a little streaked along them. To the touch these beans are velvet. The highest quality are grains that do not have any stains or chips. Bean coffee has a distinct smell that does not contain bitterness. Choice coffee roast. Roast directly affects the taste and aroma of coffee. Many people think that if the grain is dark, then they are most subjected to roasting. Coffee buy wholesale. Actually it isn't and it all depends on the variety. Some varieties darken very quickly with minor treatments. Thus, the smaller the grain was processed, the more it remains the caffeine. If you fry green beans coffee, then later they practically lose all their flavor. Many manufacturers in Albany-Y carefully conceal the defects of coffee beans, fried their maximum time.

### Proper storage of coffee

Not least important is the method of storing coffee. If you are in the city of Albany-Y decided to buy coffee cheaply, then first of all remember that coffee beans should be stored layered vacuum bags with valve. Coffee in bulk from the manufacturer. For ground coffee the presence of a valve is optional. If coffee is stored without packing more than two weeks, then to use it anymore.
